Chief, Military Economics Branch, D/I/RR

Industrial College Invitation

1. I have been invited informally to attend as an observer a presentation at the Industrial College of the Armed Forces on Thursday, 6 June 1957. This particular presentation represents the culmination of the course on economic potential for which I served as a guest panel member at a seminar held on 19 March 1957.

2. I request that this presentation be adjudged a natural extension of the seminar and that I be permitted to attend without further formal arrangements.
